

Freer Equine Wellness Program Authorization Form

Freer Equine has designed a 'Wellness Program' that will allow you to give your horse the care it needs and save money. There is a basic plan that will be required but unlike many 'Wellness Programs' we have also given you options so that you can customize your program to fit both your horse and your budget. To be eligible for the Wellness Program discount you must complete the authorization form for each horse you wish to enroll and payment must be made at the time of your Spring services or before March 15th, 2017, whichever comes first.

The following services are required as part of the 2017 Wellness Program, unless the item is specifically contraindicated to the well being of your horse by Dr. Freer

Yearly Coggins Test	\$35.00
Spring Physical Exam	\$75.00
<i>*Physical exams allow us to identify problems early that may not be evident to even the most attentive owner such as subtle vision problems, heart conditions, and more.</i>	
Spring Fecal Exam	\$25.00
<i>*Additional fecals may be required based on each individual horse's results and treatment requirements. These cannot be charged in advance but if required will be charged at the same 20% discount for those who are enrolled in the Wellness Program.</i>	
Spring EWT	\$24.00
<i>*We choose the vaccines that are proven both by research and clinical experience to provide good immunity and are the safest for your horse.</i>
